

Coxdome Circular Fixed Rooflight

Coxdome Circular Fixed Polycarbonate Flat Roof skylights are manufactured to a high standard with double or triple glazing and a choice of GRP Upstand (150, 300 or 500mm high). The thermally broken upstand manufactured from GRP ensures a strong thermal performance and resilience to condensation formation.

MATERIAL

- Double or triple polycarbonate layers
- Clear or Opal glazing
- GRP white Upstand

PERFORMANCE

- U Value 1.7 W/m²K based on triple layer
- 300mm GRP Upstand U-value 0.95 W/m²K

Available Sizes

Diameter (S/O)

- 600 (Daylight size 400)
- 700 (Daylight size 500)
- 800 (Daylight size 600)
- 900 (Daylight size 700)
- 1000 (Daylight size 800)
- 1100 (Daylight size 900)
- 1200 (Daylight size 1000)
- 1400 (Daylight size 1200)
- 1500 (Daylight size 1300)
- 1800 (Daylight size 1600)
- 2000 (Daylight size 1800)
- 2200 (Daylight size 2000)
